New Business; The members of the committee that were present Sunday discussed weather we want to keep the “Related” Events section of the web site, and what types of events we want to list. We also discussed the same topic for the area news letter. The response that we received from the forum on the web site on this topic was mixed. There was a motion put on the floor, the motion was amended and the motion amended was “We continue to post AA related events with a disclaimer on the web site and in the news letter” the motion was 2nd and the motion passed. There will be guidelines put together for the passed motion.

The forum on our web site is doing better than ever.
