Old Business; The copier/printer; Nick M. The lease for the copier/printer fell through the crack of not having a credit card balance. "If" we can get the price of the Canon Advance C-5040 (a new copier/printer) reduced to \$265. that will be the copier/printer we will get.

And I'm not sure what the other option was.

There will be a training class on how to use the new copier/printer, info on this class will be sent via email when it is ready.

We are looking into where to purchase the paper for the copier/printer.

New Business; What and what not to publish on our web site or print in the Area news letter, namely fliers of AA related events; We decided to post a page on our web site with a disclaimer and with a link requesting impute on this sensitivity kindaadvertising, on a temporary bases, then we will have a better conscious on, is it of service and do we belong posting this kinda stuff.

Adjourn; 11:15 AM
