Questions, Concerns, Challenges, any GSR’s report on group meeting:

Committee Reports: Kenton reports that group members are invited to join **Hospital or Institution** panels with the requirements being 1) one year of sobriety 2) attending 5 orientations, and 3 meetings. One could prepare before the 1year sobriety date and be ready to be on a panel by his sobriety date. Details are in Directory. Bob Mc report that Area 9’s **CEC** is only the second formed. Hawaii is the first and is preparing for a conference, “ Sober over 60”. **MSP** (Kenton and Nancy R) **that Bob Mc represent District 15 on the Area 9 CEC committee.** There are 60,000 untreated alcoholics, over 70 years old in the mid southern CA region.

Officers’ reports: **DCMC**, Peyman urges GSR’s to attend the Area meeting on 9/11, as this Assembly is one of three each year, which allows GSR’s to vote. **Registrar**, Bob B., reports that he is getting final reports in to the Area and GSO. **Treasurer**, Nancy, hands out the Treasurer’s report and comments that we could be missing meetings which don’t even know to send or where to send donations to us. She sends receipts when the group donates to the District.
