I will keep visiting all Districts and coordinate committees if they request me to come. I've been doing a power point presentation of my Conference Report; it takes about 50 - 60 minutes in Spanish and 30-40 minutes in English. If you a report without a power point, I can do that and only handout my written report, which

basically includes all Advisory Actions, Additional Considerations, Floor actions and Recommendations from the Delegates Conference Committees that did not pass at the Conference discussion.

If your District is not my calendar yet please see me during the meeting and I will make sure to put it down. (On my calendar there is minor human mistake under July 8 conference report District 17 meets in Sun City not Santa Ana). I hope to see many of you during my visits!

Financial Report

Historically, in this Area I remember when the Delegate gives the Conference report throughout the Districts, the Alt. Delegate used to give the Financial Report. This morning our Alternate Delegate Joe C., gave us a very wonderful presentation about money; I hope everyone took notes to get back to your groups to inform them how the 7th Tradition contribution was used last year. Speaking of money, I received the Quarter Contribution Report from GSO. I have copy for each District.

Conference Committee Public Information

Alternate Delegate Joe: Since our last Assembly, I have been attending all of the District report-backs with Cesar. So far, I have been to District 20 in Tustin, District 24 in Anaheim, District 25 in San Bernardino, District 22 in Indio, District 21 in Gardena, District 4 in Long Beach, and District 12 in Laguna Woods. It has really been a joy to accompany Cesar. My job is to click to the next slide when he motions for me to do so. We joke that I am getting very tired of his report. We carpool to many of the districts. It was my turn to drive when we drove to Indio. When kidding about getting tired of his reports, I told him maybe I would leave him in the desert. After all, it was warm and he could find snakes to eat. But the truth is that I am not. He is really doing an amazing job. Even the reports in Spanish, which I don't understand, are quite enjoyable. Ask me though when we are at around our 20th District.

I participated at the South Bay Roundup in Torrance with Sharon K. our Chairness and Sharon G., the Panel 63 Delegate from Area 93. The three of us were judges for their Jeopardy contest. We took it very seriously as we should never have fun in AA. It was really a great event. We laughed quite a bit and had a wonderful time.

Our website continues to be a challenge as we hopefully will be discussing later today. We also have other miscellaneous challenges that crop up from time to time, but I think that is the sign of a healthy Area. Challenges keep me humble and right sized. I try to take them in stride and consider them to be just part of the job. Above all, I am grateful for the opportunity to serve in my sobriety.

Respectfully, Joe C – Panel 64 Alt Delegate

Area Chair Sharon: Hi everyone and welcome to Area 9 ASC. I would like to thank District 10 for hosting today. Our agenda today is probably the fullest it's been in awhile. It's exciting to see such participation to from Area members that want to help better our Area. Since our last meeting I had the opportunity to participate in the South Bay Round Up Literature Committee Jeopardy game. If any of you haven't had the opportunity to see this it is quite an exciting event. Thank you for inviting me. We have a couple of open committee positions available. We have the Spanish co-chair for Special Needs and the Corrections Chair position just came available. If you are interested in any of these, please submit a service resume to me so the board can discuss at our next meeting. The suggested sobriety requirement is five years. Thank you for letting me be of service.

Registrar Jesus: Today, I met with the Registration Committee. I've been updating information as I receive it from the District DCMCs or Registrars. Feel free to email, snail mail or text any updates. I want to thank our Alternate Delegate for helping me out last month while I was out. I also want to thank Casey for stepping up to be our new Registration Committee Chair. He is doing a great job. Finally, I wanted to let you know that Raul registered all the Standing Committee Chairs back in January when we first elected them. Some of you have not received a kit or workbook. That is due to a new system in GSO and we are working with the Records Dept in order to resolve that issue. I attended District #4 last week for the Delegate's report and look forward to more in the future. Thank you for allowing me to serve. Jesus O. Area Registrar

Treasurer Rozanne:

My name is Rozanne and I am an alcoholic. I am privileged and honored to serve as your Area 09 Treasurer.

I hope everyone got a copy of the Income/Expense report. We continue to have an amazingly generous Area. The contributions are coming in steadily and with many notes saying thank you for our service. I would like to turn that right back at you and tell you how blessed I am to witness your continued support and joy in reaching your hands out to the still suffering alcoholics.

You will notice that the contributions for May seem to be much lower than usual, don't worry, I wasn't able to get all the checks in before May 31st, but know that the money is there and it will be reflected in next month's report.

As always, I ask that if you have contributions, please place them in the box up here marked contributions, expense forms and receipts go in the box marked expenses. Please note that I cannot process any expenses without the expense form filled out legibly and the receipts that go with it.

If you have mailed in or given a contribution at the Area meeting, you probably received a receipt; it would help me greatly if you could cut off the bottom portion and return it with your checks. That part has your group # on it. If you want to put your group number on the check, that is also good. In addition, if you want a receipt emailed, don't forget to include your email address.

If there is no group number, I can't process your check. And it's even worse if I get a money order and there is no information on it to identify the group or individual who sent it.

So, PLEASE, PLEASE, PLEASE, put as much information as possible: the treasurer's name and address or email and the group number.

I plan to start doing district or group visits to talk about the treasurer position, answer questions your groups may have about contributions and how we allocate our money. I have a sign-up sheet here, if you are interested in planning a date, please fill out the form and I will contact you for a visit.

Thank you so much for letting me serve you.

Secretary Barbara: Thank you for the opportunity to be of service to the best Area in all of AA – MSCA #09 – holla! Thanks to my fellow Board members and to all those who help me, which is just about all of you, so, thanks! Since we last met I have had the rare pleasure of slogging through buckets of paperwork, sending out numerous emails to all of you folks (if you do not receive said emails – please come up to me at the lunch break and give me your email address. You might be missing out on something! Come on, give me your email – all the cool kids are doing it ...) so emails aplenty, we had an amazing Board meeting at some point & this last Weds I got to watch Cesar give his shareback to my own home District #4. It is great to watch and hear and I look forward to visiting a few more Districts with our Delegate – everytime I hear Cesar go through it I am reminded again of the gifts that Service brings us. Remember District and Committee reports can be sent to me via email at any time, or if you need the forms, they are up here in English and Spanish. Please put completed ones in the box but please do it at lunch or during a break in the proceedings, as it is a bit distracting to have everyone up here during the actual ASC proceedings. Thank you again to those who help me make this look so fun and easy ... because it is anything but!

DCM School Jim: The DCM School continues to work on improving group visitations and working with the GSRs. The DCM School is designed to provide a working knowledge of AA Principles, so that group issues can be addressed and resolved. All DCMs, DCMCs and interested members are encouraged to attend. It is not a one-time event - each session builds upon the knowledge acquired in previous sessions. The School can be joined at any time, but please don't wait so long that you and your District miss the valuable assistance that the school provides.

DCM School Spanish Jose Alfredo: The meeting was opened at 10 am with the Serenity Prayer. With 14 people present, we studied the 3rd Chapter of the Service Manual. We asked questions of the Alternate Delegate Joe with regard to the GSO staff who work on salary and how the fund for retirees works. We also discussed District business meetings and the need to update their guidelines.

Electronic Media: No Report

Finance-Rich W: We had 4 visitors to our Committee meeting that brought great questions and discussion to the meeting. We discussed our Area contributions - we have received almost 2/3 of the years budgeted contributions already; thank you Area 09 groups!! We noted that many Standing Committees are not spending much from their budgets and our Committee liaisons will encourage their Chairs to use their funds as they see fit to Carry the Message and serve AA. We created a budget override request form to assist committees in

furthering their work. We discussed a proposal to change the Area budget item 'Archives rent and utilities' to 'MSCA Office/Archives rent and utilities' - motion was tabled. Next meeting planned for the August ASC.

Grapevine Ed: SUBSCRIPTIONS! Grapevine turns 70 this month. You can share your story by going to the Grapevine website. Sign up at aa.grapevine.org. District #6 to host a GV Workshop on July 19th at 10am. Area 09 to host a Workshop on Sept 6 at 10am.

GSR School Spanish Amador R: The meeting was opened at 10am with the presentation of 4 new GSR's. They were given the packet of information about the purpose of these meetings. 22 members were present - GSRs and Alt. GSRs. We gave them a reminder and motivation to participate at the Regional Forum in Boise, ID. We studied Concept VI of the Service Manual. We also shared what we understood about the Concept and our own experiences. Thanks for the opportunity to serve.

La Viña Victor: Present were myself and two other people. We gave information to a prospective LVR subscriber. We also informed you that the La Viña Editor Irene D. called me personally to tell me that the SUBSCRIPTIONS dropped about 800 and all those that were not renewed are in California. I communicated with the Districts LVR's immediately. District 20 says it has several subscriptions so far this year, District 21 has 25 subscriptions, District 22 has a few, District 23 doesn't have an LVR but I help them as Area liaison and they have 12 subscriptions renewed and 26 new subscriptions. District 24 has 30 subscriptions, and District 25 has 25 subscriptions. I was present at the San Bernardino Convention on May 24 and 25 with my display of La Viña. We are supporting the 18th Anniversary of La Viña in Las Vegas. Thank you all for allowing me to serve and for your support to La Viña.

Literature English Bianca: No Report

Literature Spanish Mauricio: The meeting was opened at 10am. The topic we discussed was the importance of informing our fellowship about the Conference Approved Literature. That's the reason we are planning workshops; to inform members about our literature. A workshop that was proposed last May will be held in October; that's what we agreed in this meeting. This year it will be in English and the next coming year will be in Spanish. Thanks for allowing me to serve.

We started with introduction of the new Committee Chair (Casey) and the MSCA Registration Committee Guidelines were passed around and read by all committee members. Continuing to look for Spanish involvement, including a Spanish Co-chair. We also discussed possible attendance at the Forum in July. Ongoing, we will continue to encourage participation. Coordinate Committee Reports:

SOBYPAA - SOBYPAA was formed Nov 21st of 2013, elected officers on Dec 19th, and adopted bylaws on Feb 20th of 2014. We held our first event on May 17th at the South West Alano Club. It was a young persons meeting and dance. We, by rough estimation, made about \$500. The event was a success and a major triumph for our first event. We were able to outreach and bring awareness of our purpose, as well as build unity between the South West Alano Club and the young persons community. Our aim is to build unity within the YPAA Community as well as build relations between the YPAA Community and other think tanks in AA. We are currently planning our next up-coming event. Another meeting and dance to be held in late July. I serve as SOBYPAA's Bylaws Chair and General Service Liaison. Being a co-founder and 1st generation SOBYPAA member, I am happy to offer my services in any way I can in hopes of building a unifying relationship and redeeming the YPAA's reputation.
