Introductions: Past Trustees, Past Delegates, New DCMCs/Alt. DCMCs, New DCMs/Alt. DCMs, New GSRs and Alt. GSRs, Guests, Past and Current Area Officers.

Approval of minutes from May Assembly – friendly amendment adding report from Treatment Committee (read by Chair Dawn). Motion to approve as amended made by Rich, seconded by Amy. Amended approval passes.

Officers/Directors Reports (following reports are written reports):

Delegate Cesar: My name is Cesar and I am an alcoholic: it is my honor and privilege to serve as your Panel 64 Delegate Area 09.

I am happy to report to you that since the last May Assembly I have given the Conference Report 32 times to Groups, Intergroups, Committees and of course most of our Districts. There is still one more District to go. I have been invited to give the Conference Report to the Orange County Spanish Speaking Convention, at the end of this month. We will see how it goes. I have attended many La Vina Anniversary events in Area 05, Area 08 and Area 42 in Las Vegas, where they sold 733 registrations which equals subscriptions. I attended the Pacific Regional Foro in Boise, ID. Also I have been reading and replying to many emails from Delegates from the Pacific Region and all of the US and Canada.

On August 24, I met with David Morris, Class A Trustee and AA Treasurer, about the La Vina financials. We met in Rancho Mirage and had wonderful dinner, along with our Alternate Delegate Joe C. We shared our experience, strength and hope, and how La Vina is very valuable to us.

On August 30th, I participated at Area 08 San Diego/Imperial at its annual event called the Foro.

- **AA Membership Survey:** the information with the questionnaires filled out were sent to the GSO Public Information desk. I would like to share how grateful I am to our Area Officers for the help I received from them with regards the AA Membership Survey.
- Registration for the **2015 International Convention** opened on Sept 3rd. The International Convention is fast approaching and, as staff coordinator for the event, my colleague Eva Sanchez has plans in high gear. You can review important Convention information at aa.org by clicking on the "2015 International Convention" banner headline on the home page or by using the following URL/link :
http://www.aa.org/pages/en_US/2015-international-convention-of-alcoholics-anonymous.
- Recruitment is underway for the new position of G.S.O. Information Technology Manager. The position has been posted internally and on external websites. An October 2014 hire date is anticipated.
- Mary D., is now retired from being on staff at GSO – her last day of work was Tuesday the 5th of August.
- Members are now able to make recurring contributions through the Contributions On Line portal at aa.org.
- G.S.O. is moving forward with a plan for the production of in-house, Web-only videos as an additional communication tool.
- The Conference-approved video, "Hope: Alcoholics Anonymous," will be posted on aa.org, and the revised "Markings on the Journey" video is now available (we saw "Markings" at the Forum).
- A literature price increase was approved, and I believe you have received the new pricing structure that will go into effect in October.
- The new pamphlet "Many Paths to Spirituality" has been released and will be priced at 30 cents each.

- A.A.W.S. had a net profit of \$627,616. for the first six months of 2014, compared with a budgeted profit of \$41,946. This is attributed to strong sales of the 75th Anniversary Edition of the Big Book.
- A.A. Grapevine, Inc., had a net income of \$155,456 for the first six months of 2014, compared with a budgeted net income of \$27,185. The primary contributing factor was that all costs came in below budget (including editorial costs, circulation and business expenses, and general and administrative expenses). The La Vina shortfall was \$67,019, which is \$6,606 less than the budgeted shortfall of \$73,625. (By the way, we will likely continue to see the word "loss" in La Vina financial reporting after all, because of certain external requirements for reporting of accounting)
- The reserve fund stands at \$14,079,035, which is approximately 9.4 months of operating expenses.
- In other GV/LV news, member photos are being collected for the 2016 Wall Calendar, *The Language of the Heart* will be coming out in audio book format in fall of 2014, and there is a collaboration under way with A.A.W.S.'s International Convention staff to incorporate GV/LV info on the Convention Registration form.
- The trustee's archives committee approved a request from Paz Preciado (Non-trustee Director of A.A. Grapevine, Inc., and member in the Arizona area) to consult archival material related to Spanish speaking groups in Texas, California, and Arizona. Consistent with past practice and past Conference Advisory Actions, however, her request to consult audio recordings of General Service Conferences was denied.
- In response to a 2014 Conference Advisory Action, the Trustees' Committee on the General Service Conference is planning a demo of an electronic anonymous voting system for its November meeting.
- A request has been forwarded to A.A.W.S. to task the General Service Office with the development of a website template that could be used by Areas and Districts in the U.S. and Canada. A request has also been forwarded to develop a searchable, web-based, mobile-friendly database of meetings in the United States. Please remember that neither of these actions means that we will ultimately end up carrying out either of these initiatives; it just means these requests have been received and are making their way through the pipeline.
- A request to develop literature directed to transgender and gender-nonconforming alcoholics was reviewed by the Trustees' Literature Committee and is being forwarded to the 2015 Conference Committee on literature.
- A request to produce a book that combines *Twelve Steps and Twelve Traditions with Twelve Concepts for World Service* was reviewed by the Trustees' Literature Committee and is being forwarded to the 2015 Conference Committee on literature.
- The Trustees' Literature Committee discussed the idea of creating literature or A.A. Guidelines, or of adding text to existing A.A. literature, to address the subjects of individual safety in A.A. and anonymity as it relates to possible criminal behavior. Two subcommittees have been formed to follow up on this discussion.
- The Trustees' Committee on Nominating requested that both of the corporate boards include language in their notifications of vacancies to make it clear that being a past Delegate is not a requirement to serve as a Non-trustee Director on either of the corporate boards.
- The Trustees' P.I. Committee has begun work on developing a new P.S.A.
- A.A.W.S. will be following up on the 2014 Conference Advisory Action regarding translation of Conference background material and will report further at the November General Service Board weekend.
- A relocation study for G.S.O. was reviewed and accepted by the Trustees. This study is done on a regular basis. It compares our current location with other cities, looking at how much we might save long-term if we moved out of the New York area, and how much it would cost us in the short-term to actually make the move if we were to decide to do so. It generated a lot of discussion. Long-term savings would be potentially worthwhile, but short-term costs are very high. You'll see the study at the 2015 Conference, as I understand it, so I'll leave it until then for you to form your own views on it. The report does recommend that we remain in New York. On the basis of that recommendation, the Trustees approved initial work on a co-location plan to remodel the 11th floor of 475 Riverside Drive so that Grapevine will be located on the same floor as the rest of our operations. No construction will start until after the 2015 International Convention, so if the Conference takes a different view of the relocation study than the Trustees did it won't be too late to change course.
- Treatment: We currently communicate with 89 Area and 434 District Treatment Committee Chairpersons, 35 Area and 174 District Bridging the Gap (BTG) Committee Chairpersons, 20 Area and 57 District Hospitals and Institutions (H&I) Committee Chairpersons. The total list comprises about 809 Treatment related trusted servants carrying the A.A. message.
- In 2013 the Treatment/Special Needs-Accessibilities assignment passed along 1711 A.A. literature items to A.A. members, clients and professionals, including more than 60 Big Books, and 387 "A.A.in Treatment Settings" pamphlets.

Treatment Desk at G.S.O.: "Hope: Alcoholics Anonymous," was recently added to G.S.O.'s website, aa.org. You can find it by typing in "Hope DVD" in the search box or going to the Treatment Committees section of the website. Below is a URL/link to the Web page which features the DVD:

Service is a Legacy of Love.

Cesar F. Panel 64 Delegate Area 09

Conference Committee Public Information

Alternate Delegate Joe: Since out last ASC I went to the following Districts to assist Cesar in his report-backs; District 3 in Lomita, District 5 in Tustin, District 19 in Apple Valley, and District 14 in Hemet. I also went to Rozanne's house for our regular Board meeting as well as a group visitation in Santa Ana along with the other Board members. We have such a great time every time we have a chance to meet as a group. Our schedules are busy, but it would be fun if we could do that more often. I had a wonderful opportunity to drive out to Rancho Mirage with Cesar to meet with David Morris. David is one of our currently serving Class A Trustees, and is also currently serving in the capacity as AA's Treasurer. A few other AA members were also present and we had a wonderful constructive conversation. Thank you Cesar for that opportunity. Some of you will remember our Special Meeting in February. Sharon received several requests to form an Ad Hoc committee resultant of that meeting. She appointed me to Chair the committee for which I have selected 9 people, including myself to serve. I will be providing Sharon with regular updates. Lastly, now that we have the final conference reports, I can now begin to select the topics for the Servathon in November. The end.

Area Chair Sharon: Hi everyone,

I'm Sharon alcoholic. Welcome to the third Assembly of Panel 64. I would like to thank those of you that stayed the duration of our last ASC. I would also like to thank District 5 for hosting, despite difficult circumstances. Thank you.

Since our last ASC I attended our Board Meeting, visited a group in District 20, visited District 10 and attended District 23 with our Treatment Facilities Chair Dawn, CPC Chair Maryka, and CPC Co-chair Juan. They presented a very nice overview of what their committees do. I spoke to District 7 about hosting today and you will be pleased to know that District 7 provided donuts today as part of their meeting budget.

I corresponded with our insurance agent about a quote for next year and should be receiving that shortly. I have corresponded with Area 5 and Area 93 Chairs and will be attending their elections in October and November. I love attending other Area elections.

As you can see by our agenda we have several open positions, we have Literature Chair for English, and Convention and Public Information Co-chair for Spanish. If you are interested in either of these positions, please email me your service resume and I will review with them with the Board.

If any of you would like me to attend your District meeting, please let me know. As Chair I'm here to support the DCM and DCMC of our Area. Our next Area meeting will be in Lakewood and the address is on your agenda. Thank you for letting me be of service.

Registrar Jesus: I have the honor of serving area 09 as the Registrar.

Since our last area meeting I've been in contact with the District Registrars. I also attended the Board meeting at Rozanne's. I'm also working closely with the Area Treasurer to figure out group numbers. We are trying to get the group information out to the District contacts, whether they are the Registrar or the DCMC. Today I met with the Registration committee. I think Casey is doing a great job as the Committee Chair. We had Maritza join us as the new Registrar for district 25. She is fully bilingual so she will do a very good job. We are trying to establish a system where we can all share updated group information; one with a dropbox and via email now that I figured out how to email word docs. Thanks to the help of Carlos R. Thank you for the opportunity to serve. If anyone is wondering whether it's a good idea to be of service at the Area level, I assure you that God will still do for you what you can't do for yourself.

Treasurer Rozanne:

My name is Rozanne and I am an alcoholic. I am privileged and honored to serve as your Area 09 Treasurer.

Our current status: as above and income/expense statement

Very important today is that you hand in your budget requests to your liaison, Rich or me.

Taxes were sent in on August 14th.

I am honored to be the chair for one of our Ad Hoc Committees which is exploring whether we should have a Policy Committee. We had our first meeting Sept. 4th. We have a great committee and we are already well into our research and developing criteria to guide our recommendations.

Thank you all for your contributions as always, our Area is extremely generous.

Reminders:

- I can only pay the Committee Chair and I must have receipts and an expense request form
- Please assure your expense reports are legible so I can quickly get your checks back to you.
- Please tell your groups to use the bottom of your receipts to return with your contributions
- Always use your group number on your checks and contributions. If there is no group number, I can't process your check. And it's even worse if I get a money order and there is no information on it to identify the group or individual who sent it. So please, put as much information as possible on the contributions.

If you have not received your budget request forms from your committee liaison, please see me I have extra copies.

Thank you for letting me serve you. Rozanne

Secretary Barbara: Since the August ASC, I have done much as the Area Secretary. Don't I always? And yet there is SO much more to do. My house looks like an Area tornado hit and my poor boyfriend is a GSR widower! Among random paperwork shuffling (I broke my three hole punch I was working so hard!) - I also:

- Worked on the Aug ASC Minutes on Aug 15th
- Sent approved June Minutes to Archives and to the non-existent Web Master/Communications Committee
- Wrote report for and attended August Board meeting on Aug 24th
- Sent the SOBYAA letter to Anthony (sorry it was late!)
- Sent the Aug ASC Minutes for translation on Sept 2nd
- Contacted District #20 regarding their letter of concern with regards to Grupo Ampliacion De Vida – Sept 2nd
- Sent Eblast to Area with Assembly Agenda/info on Sept
- Visited Ampli group with Board members & got the 2014 Final Conference report from Cesar – Sept 9th
- Sent minutes to Pete for printing – Sept 10th
- Email to Committee Chairs and District DCMCs reminding them to submit reports via email, if poss, also on the 10th
- AND sent a full Area Eblast with the May minutes and with the news that Cesar has the Final Conference reports and will be handing them out ... TODAY!
- Sept 14th – Area Assembly here in Buena Park

Busy as usual. By now, you seriously have to be getting my emails. With the website issues, I am the fountain of all Area knowledge, and all you have to do to tap into this is give me your darn email address. Right now – write it down (legibly! Is it an I, an L, or a 1?) and pop it up here in this box. Speaking of the 'put it here' box, this is where Committee Chairs and District DCMCs put their reports, unless of course, they email them to me, which is great. If you email them, no need for this form – just tell me who, what, where, when, and why and miraculously it will appear in the minutes! Voila! Thank you for letting me serve and thereby keeping me sober ... just for today.

I remain your respectful and humble servant – Barbara D – Panel 64 Area 09 Secretaria

Public Information Sandi: No Report

Public Information Spanish Martin: No Report

Registration Casey: With 8 members in attendance this month, we cover a variety of subjects. Jesus - Area Registrar - discussed the functions of Registration, including what are active, inactive, merged, unknown, and incomplete groups, according to GSO. He also discussed the AA Survey and statistics. District Registrars should get contact information from groups even if they don't have a current GSR, using the group Secretary or Treasurer as contact in lieu of a GSR, so that that group can receive GSO information, such as Box 459. All new GSRs and/or new groups need to verify that the form for GSO is filled in completely and accurately, as to avoid delays. All new groups require a 30 day hold by GSO in order to ensure it is fully established. GSO group numbers are never deleted or removed but groups can and do become 'inactive' - every attempt is made to find out if these groups still exist, and we discussed getting a group account 'reactivated'. Area Registrar Jesus distributed a short packet to new Registrars and Committee Chair Casey explained to the new District Registrars the basic duties and had them complete the GSO paperwork. Jesus stressed to everyone that the Registrars are the gatekeepers of the District info. Reminded them to please print all info clearly and get the info to Jesus, who will forward to GSO. Committee is discussing possible locations for a Registration Workshop to be held next year - hopefully Jan or Feb. Chair Casey discussed next years Registration Committee budget, which is being submitted to Finance today. The new Registration Drop-Box is up and running to facilitate communication with District Registrars!

Special Needs Jack: Need help on growing this Committee along with a Spanish speaking Co-chair. We are a fun Committee which really helps those in need! Planning on reaching people by telling success stories of how Special Needs has literally saved lives. We are staying in touch with people who are interested in being of service and would love to do a workshop at some point in the future!

Treatment Facilities Dawn: We had 9 in attendance this month. Purchased and created a temporary contact display! Attended the monthly meetings for Districts #03 and #04 - presented BTG and solicited temporary contacts. The committee approved graphics for the display. We requested budgetary assistance from the Corrections Committee to purchase our identification sign and Corrections approved \$100.00. Cancelled the BTG Presentation for District #06 and will reschedule. Upcoming events are many, including 10/21 So Bay H & I, 10/28 So Bay Central Office, 10/31 CCAPP, and 11/09 OC H & I.

Coordinate Committee Reports:

We had reports from the committee members present.

The pre-meeting GSR School (held at 6:30pm) had 4 nearly new GSRs attending, along with a couple of established GSRs upping their game! And immediate GSR concern was the request for a District field trip to the Area Archives to underscore how cool and vital the Archives are to our MSCA history. We discussed the upcoming votes and reviewed the pros and cons of mandated rotation for the Archives and Webmaster positions. A new Alternate DCMC was elected - Gilbert G. Two of our Districts groups participated in the 2014 AA Membership Survey. We are also preparing a future workshop on training for various group positions (how to be a group Secretary, Treasurer, et al). Tabled until next meeting the question of whether we will have a District field trip to Catalina, as we are trying to make contact with the Avalon Alano Club. Our monthly post-meeting Concept and Service Manual Study focused on Concept #9, which brought tears to some members eyes ... Upcoming event in the H&I Chili Cookoff at Rec Park on Sat Sept 20th.

District 5 Ryan: District meeting held in Santa Ana on Sept 11th at 7pm with 28 in attendance. THis month we took time to go over the July AAWS highlights, taking time to discuss the topics inside include the L/M bulletin and the Navajo translation status.
