Officers Reports

- **Alt. Delegate: Joe B.** Not present. Submitted written report

Hello everyone;

I am not here with you today because I am attending my son's (master's degree) graduation ceremony at Cat State Fullerton. When I had six months of sobriety he came to live with me. (he was nine years old) He attended every meeting and functions in AA that I did for the over the next four years. In more than a way, AA raised us both. I can't help but feel proud of him and of his accomplishments, but it is really something that I share with all of you God, and AA. Thank you Alcoholics Anonymous; for everything!

Sense my last report I attended a District 3 meeting along with other Area Officers and Committee Members to answer questions and to help support Bruce in developing discussion and understanding of the Conference Agenda Items

I attended District 15's meeting to finalize planning for the Pre Conference Workshop

I was pleased to be invited to attend the Living Sober Group's "Pre"-Pre Conference Workshop in Joshua Tree. We where able to discuss almost all of the Conference Agenda Items, and develop some genuine interest in General Service. (I was also able to feed a wild bobcat a chicken leg, right out of the back door of Joseph's house. WOW!)

I attended the Committees in Partnership workshop. I have to tell you that I was very impressed with this group of committees coming together and developing the program that was presented on April 14th, it was very informative. I was humbled to witness non AA's speak with such a passion about this fellowship that they truly love, as I do. I learned so much from every single speaker (of which there was eight). I am looking forward to next years C.I.P. Workshop. But I have to tell you... it's going to be tough to top this one.

And of course last months Pre Conference Workshop was very well attended. With a total of 4 rounds of 18 different roundtables in English and Spanish. We where also honored with the attendance of Delegates and guest from Area's 5, 8 and 93. Sense all three Areas had already held there Pre Conference Workshop, they where able to share with us a little about their Area and what Committees they will be sitting on. Not to mention a delicious lunch.

I believe that we were able to give Bruce plenty of information on most all of the Conference Agenda Items to take with him to New York, to help him be the best informed and sharpest dressed Delegate at this year's Conference.

Thank you all for allowing me this privilege to serve Mid Southern California Area 9

Thanks district 6 for hosting this Area event, Present count 53 GSR's, 2 past delegates 18 districts officers. A new vision registrar system allows the Area register to have web base access to the GSO database which eliminates all 8 to 12 weeks proses. Now is direct from the Area to GSO. As soon I receive the groups form and entered into the system, it will be immediately into GSO database. It will be simplify everything for all the groups.
