

To Print and Create your own “What’s It All About” Booklet

You should have a current active copy of Adobe Reader on your computer, Its downloadable for free at <http://get.adobe.com/reader/>

Load 8.5 x 11 letter size paper in your printer.

Print PDF file “English Print One” first, after the pages have completed printing you should have pages 10 and 11 on top. Put pages in the printer again (blank pages down) just as they are, do not change the order of pages.

Print PDF file “English Print Two”. After the printer is finished you should have the front and back panels of the booklet on top and a complete copy of the booklet.

Fold in half and stable center.
